Objectives

1. To encourage and promote the advancement of purebred dogs through breeding, showing, obedience training, education and other activities.

3. To educate and inform members on all aspects of dog ownership such as breeding, raising puppies, genetics, health, nutrition, training, showing, and responsible dog ownership.

Code of Ethics

1. I agree to use for breeding purposes only, those dogs and bitches that are free of hereditary, incapacitating, or disqualifying faults, including but not limited to hip dysplasia and eye diseases, which are judged to be good specimen of their breed, and which possess proper temperament.
2. I agree to breed only healthy, mature adults, not less than one year of age, and I agree that I will not breed a bitch on more than two consecutive seasons.
3. I agree never to sell dogs or puppies to puppy mills, brokers, dog dealers, or pet shops, nor to sell or donate dogs or puppies to be given away as prizes or sold by raffle.
4. I agree to use a sales contract or written agreement when selling dogs or puppies, or offering stud services. I will pass on to the buyer accurate health, breeding, and registration records, and a signed, four generation pedigree.
5. I will sell pet quality puppies with non-breeding registration papers and/or recommend that they be rendered incapable or reproducing.
6. I will not release puppies before they are seven weeks of age and then only with the full knowledge that they are healthy and have had the required medical inoculations and care. I will make a sincere effort to see that every puppy will have a suitable home and will be properly cared for.
7. I agree never to undertake a breeding unless it is specifically for the purpose of producing a better dog.
8. I agree that my advertising, written or oral, shall be factual and worded so as not to attract undesirable buyers, nor to encourage the raising of purebred dogs as a money-making activity.
9. I agree to evaluate each puppy honestly according to the AKC standard of the breed, and to state clearly to the buyer the quality of any dog or puppy sold.
